SCIENCE

During this month we carried out an experiment where we had to be firefighters and put out the fire.

March Newsletter

NUMERACY

During this month we did the following:

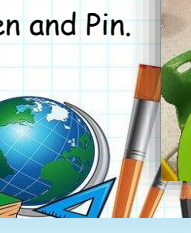

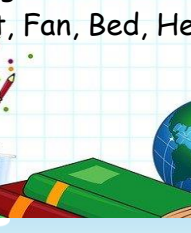

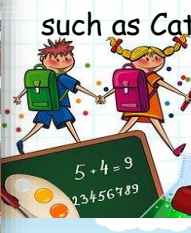

- We used our blocks to make rulers and we measured different objects.
- We also learned about BIG and small.
- We learned some addition sums and we learned about patterns.

ENGLISH

During this month

- We learned the letter "F" and made a fish. We then wrote "F" is for the Fish.
- We learned the letter "B" and decorated a balloon.
- We also began to read CVC words such as Cat, Fan, Bed, Hen and Pin.

Events

During this month we did the following:

- 100 Days of School
- Sports Day
- International Day of Happiness
- Spring Day
