SCHOOL UNIFORM POLICY

At SAIS-Abu Dhabi, we believe that the school uniform fosters a sense of belonging, equality, and school pride. All students are required to wear the official school uniform every day, including during field trips and school-sponsored activities, unless otherwise communicated by the school.

Uniform Purchase:

All uniform items are available at the official SAIS Uniform Store, located on campus. Store hours and purchasing details will be communicated by the school prior to the start of each academic year.

Uniform Expectations:

- All students must always wear the official SAIS-ABU Dhabi school uniform during the school day and when representing the school in any event or activity.
- Only school-approved sweaters and senior jackets are permitted as part of the uniform.
- In cases where students in Elementary or Middle School are unable to obtain the official school jacket, they may wear a plain navy blue or plain black jacket with no logos, drawings, images, or text.
- Students must always maintain their uniforms in neat and clean condition.

Non-Compliance:

Students who fail to comply with the uniform expectations may be subject to disciplinary measures in accordance with the school's Code of Conduct. Adherence to the uniform policy reflects respect for the school community, promotes equality, and fosters a sense of belonging and discipline.
