

Dear Student/Parents,

On behalf of IDP Education, we are pleased to invite you and your students to attend our **IDP Study Abroad Virtual Expo**, on Friday and Saturday, 24th and 25th September 2021 from 10:00 AM until 9:00 PM.

The event is a great opportunity for you and the students to meet and interact virtually with experts from over 100 global universities and colleges from Australia, UK, Ireland, Canada, USA, and New Zealand.

You don't need to leave your place to find all this and more! Join us at the IDP Study Abroad Virtual Expo to:

- Meet & interact with representatives from leading universities
- Receive answers to all your questions about programs, scholarships, and admission requirements
- Attend free seminars: The Expo usually hosts free seminars about studying abroad, as well as IELTS sessions to help you understand what's required for your journey

The universities' representatives will answer all queries about available programs, application process, entry requirements, scholarships and much more.

That's not all though! Your IDP expert counsellor will also be available to narrow down your options and provide further guidance on your study abroad journey:

We will help you with

Course & university
selection

Tuition
fee advice

University application
submission

Visa application
& more

Registration is free. Check out the participating universities and register for the event through this link:
