SAIS-AUH is a school where learners feel at home. We believe that a safe learning environment contributes to student success and achievement. We lead our students to aim high by boosting their confidence. SAIS-AUH students are encouraged and appreciated for their achievements, whether great or small. Our students take pride in their work and in themselves.

SAIS-AUH Support Team seeks to create a school environment where students feel supported academically and emotionally. We make sure that all staff members are working to support the students with plans, activities, and appropriate follow-up to help them achieve success both inside and outside the classroom. In addition to this, we offer support for our students and staff in terms of child protection, anti-bullying campaigns, health and wellness, etc.

ATTENDANCE

Regular attendance is essential for student success and engagement in learning. Students are expected to attend all scheduled classes, arrive on time, and remain for the duration of each session.

- Students are expected to attend school on every school day as specified in the school calendar.
- Students shall arrive at school punctually every day, attend morning assembly, and attend classes on time.
- Teachers shall maintain a record of attendance for every period through the school portal.
- Late Student: A student who had come in after the assembly/ HALP time, needs to report at the school Supervisor's Office–
- For the safety of the child, the parent has to inform the school supervisors before 8:00 am, if the child is absent.

- Parents should ensure that family vacations are taken during scheduled school holidays.
- Daily attendance is sent to ADEK through eSIS system.
- Students cannot leave the school premises during school hours without a request from the parents and approval by the Vice Principal OR section supervisor.

ABSENCE

DEFINITION(S):

For the purposes of this policy, absence refers to the days when students fail to attend school. A student who does not miss a single class throughout the year is said to have a 0% absence record or a 100% attendance record. Absence rates above 10% should be regarded as a cause for concern. Authorized absences are to be distinguished from unauthorized absences or truancy.

PURPOSE(S):

- To encourage students to attend all classes in a timely manner, so that they maximize the educational benefit of being in school.
- To ensure that unauthorized absences are dealt with firmly and effectively.
- This policy is linked to attendance policy, which highlights the need for students to attend School and all lessons punctually and regularly. Schools shall seek to achieve low absence rates by:

1. Following up on all unexplained absences immediately.
2. Providing a safe, caring, and engaging learning environment that encourages and stimulates students.
3. Recognizing and rewarding excellent or improved student attendance. Implementing strategies and programs to address attendance problems for individual students.
4. Providing clear and specific information about the rules and consequences of poor attendance to Parents/Guardians, students, and School staff.

TYPES OF ABSENCES:

AUTHORIZED ABSENCES

The following types of absences may be regarded as authorized when confirmed by a signed letter from Parents/Guardians or by way of official documents:

- Illness.
- Death of first or second degree relative.
- Scheduled doctor appointments.
- Official community task.
- Mandatory appearance before an official body.
- Essential urgent family travel for matters such as medical treatment or the death of a family member.

UNAUTHORIZED ABSENCES

The following types of absences are to be regarded as unauthorized:

- Unnecessary travel.
- Other types of absences not included in the authorized absences list.

Students are truant if they are absent from School without their Parents'/Guardians' knowledge or consent, or if Parents/Guardians have colluded with the student so that they are absent without authorization. Truancy is an unauthorized absence, and Schools must immediately inform the student's Parents/Guardians of incidents of truancy and shall hold discussions with them and the student and closely monitor the student's attendance.

If an absence is authorized, the student has the right to make up the work and tests that were missed. If an absence is unauthorized, the School will agree with the Parents/Guardians on the appropriate course of action pending completion of the investigation into the circumstances surrounding the absence. School administration will excuse students for being late in the morning during days with adverse weather conditions (e.g., heavy fog).

Parents/Guardians who plan to have their children miss several days of School are required to notify the School at least ten days before the anticipated absence, to allow teachers time to prepare the list of assignments that will be missed during the absence. The student or Parent/Guardian shall be responsible for contacting the School administration to learn of all assignments and tasks given to the student. These assignments must be completed by the student and returned to the relevant teachers either before leaving or shortly after returning from the absence.

If students have a poor attendance rate of 10% or more, the school will take, follow-up actions with parents and notify ADEK. For further clarifications read SAIS Attendance Policy QR code at the end of this document

.....

BULLYING

Bullying is totally unacceptable and is not tolerated at SAIS. All SAIS family members are treated with respect, regardless of their gender, religion, appearance, race, and ability, ethnic or social background.

WHAT IS BULLYING?

Bullying occurs when a person or a group of people deliberately and repeatedly hurt, upset or frighten somebody less powerful than themselves.

BULLYING INCLUDES:

- Name-calling, teasing, ridiculing, sarcasm.
- Putting down others and their achievements.
- Touching people in ways they don't want to be touched.
- Damaging, stealing, removing, or hiding others' belongings.
- Making comments/gestures to another of a sexual nature.
- Making negative comments about family, country of birth, nationality, ability or religion.
- Inappropriate comments about another's physical appearance or clothes.
- Physical violence or threats.
- Forcing others to act against their will.
- Spreading rumors /gossip.
- Demands for money or possessions.
- Purposely leaving someone out of activities.
- Glaring and menacing gestures.
- Telephone/Cyberbullying.
- Writing offensive notes or graffiti, email about others.

SOME EFFECTS OF BULLYING:

- Poor physical and mental health.

- Missed classes due to stress.
- Feeling threatened in the school year.
- Lack of sleep.
- Poor school performance.
- Inability to concentrate.
- Withdrawal from class participation.
- Low self-esteem.
- Low opinion of the school.
- Hating school.

BULLYING MAY OCCUR BETWEEN:

- Fellow students.
- Members of staff.
- Staff and students.
- Parents & Staff/students.

THERE ARE NO ACCEPTABLE EXCUSES FOR BULLYING!

"I WAS JUST MUCKING AROUND; CAN'T THEY TAKE A JOKE?"

This is the most common response to bullying. It is not a joke to make someone feel miserable. This is bullying.

"I'LL IGNORE IT AND IT WILL GO AWAY"

If anything, ignoring it makes it worse. It gives the bully the impression that their bullying is OK and that you agree with what the bully is doing.

"ONLY WEAK PEOPLE TELL TALES"

It takes courage and strength of character to stand up for your rights and those of others. Bullying continues when people do nothing.

"I DON'T WANT TO CAUSE TROUBLE"

All members of the SAIS family have the right to feel safe at school. You are not causing trouble by telling someone about bullying; you are standing up for yourself and others' rights.

"NO ONE CAN DO ANYTHING ABOUT IT"

Most cases of bullying are sorted out very simply, especially if it is reported straight away. We are committed to solving these problems.

"THEY ASKED FOR IT"

Nobody asks for it or deserves it.

Child Protection Procedures. Teachers and staff are trained once every year to identify warning signs of abuse and neglect, report the case, seek team support, and know when the school can breach confidentiality. All our staff sign the child protection consent. The visitors should seek approval before entering the school and log the details of their visit in the visitor's log-in book at the security desk station. All our teachers and visitors are not allowed to enter the school without the appropriate badge.

Sexual Harassment Policy

Sexual harassment is a serious violation of SAIS's values and code of conduct. It includes any unwelcome sexual advances, inappropriate touching, suggestive comments, or other behaviour of a sexual nature that creates an intimidating, hostile, or offensive environment. Sharjah American International School is committed to providing a safe and respectful learning environment for all students and staff. Any form of sexual harassment will not be tolerated, and all members of our community are encouraged to uphold these standards.
