

HONORS

Dear Student,

We would like to invite those of you who wish to study abroad at one of the most competitive and elite international universities to register for **Rize Honors**.

A highly selective stream of the **Rize University Preparation and Career Guidance (UPCG)** program, **Rize Honors** will be held in a virtual format but will eventually change to a blended model as we move to normalcy. At that stage, major events will be delivered face-to-face but most of the content will still be delivered virtually.

Rize Honors offers its participants the following:

- Academic and extracurricular activities, competitions, and community service for personal and academic growth.
- One-on-one and group guidance sessions with a dedicated team of Rize Academic Advisors and Coaches.
- Opportunities to attend our international 'Learning Journey' trips and events to top/elite universities around the world.
- University test preparation and essay reviews.
- Preparation to be a highly competitive candidate for our Scholarship for Distinguished Students.

You should apply to Rize Honors if you are:

- An ambitious, hardworking and driven UAE national looking to contribute to the UAE as a future leader.
- Committed to apply to an Abu Dhabi and/or UAE Scholarship program to study abroad.
- Enrolled in Grade 10/Year 11 to Grade 12/Year 13 in an Abu Dhabi Emirate School.

Applicants must have received a final average of 85% or above during the 2020/21 academic year.

However, the panel will select only a small group of the most qualified candidates. Students who do not qualify for **Rize Honors** will be automatically enrolled in the **Rize UPGC** Program.

You can [click here](#) to apply to Rize Honors for this Academic Year. Registration is open until 11 October 2021.

If you have any questions, please contact Brad Hilbrich, Manager of Rize Honors, at Bradley.hilbrich@adek.gov.ae.
